- Learner-centred teaching - we focus on the needs and interests of our students
- Flexible teaching plans - the contents of our courses are tailored to our students' needs

At St Giles, we have a maximum class size of 12 at our year-round centres and 15 at our Junior summer centres. For even smaller class sizes, students can opt for our Platinum classes (available at selected locations), where the maximum class size is 5. This means that you will enjoy personal attention from your teachers, which will help you make faster progress.

Successful completion of the 4-week full-time CELTA course will enable you to begin a professional career as an English language teacher. You can seek work in a wide range of countries, or you can teach online. Our CELTA trainees come from all different walks of life.

Cambridge CELTA Courses

Study this course at...

St Giles Brighton, London Central or London Highgate

Choose from...

- A 4-week intensive course (face-to-face only) in Brighton or London Central
- Part-time courses in London Central or London Highgate

All CELTA courses consist of a minimum 120 hours of attendance and additional hours of self-study

You will observe qualified St Giles teachers and have teaching practice with groups of real students most days

Study with... A maximum of 12 people

Start the course... On set start dates throughout the year

Entry requirements

- No previous teaching experience or knowledge is required but you should have a university degree or a standard of education equivalent to that which is required for entry to university
- Your English language level must be at least C1 and preferably C2

Course objectives

The CELTA course is a structured and practical introduction to teaching: it will equip you with the professional knowledge, practical skills, and confidence you need to start your teaching career. The course will show prospective employers that you:

- Understand the principles of effective teaching, how people learn and the roles of teacher and learner
- Understand how to analyse language for the purpose of teaching
- Have demonstrated the ability to put your new knowledge and skills into practice in a real-life teaching context

The assessment process

Component One - Teaching Practice

You will be expected to teach for a total of six hours, working with classes at two different levels of ability. Assessment is continuous and is based on your overall performance during the six hours

Component Two - Written Assignments

You will be asked to complete four written assignments: one focusing on adult learning, one on the language system of English, one on language skills and one on classroom teaching

The Cambridge CELTA is awarded to candidates who meet the course requirements and whose performance meets or exceeds the criteria for both components of assessment. Your progress will be monitored by your tutors throughout the course
